Re: Will you match my donation to Restless Development?

My name is **Mirabel**, I am a member of the **Encanto** team and I attend **Bruno** School. On the **22nd May** 2022, me and my team are taking part in a huge challenge - the Flight Centre Schools Triathlon! We will swim, cycle and run to raise vital funds for Restless Development and my school's chosen charity.

I have been fundraising by **selling Julieta's magic cakes.**
It was a huge success and has raised £ **1000** (so far)!

I am writing to you to ask you if **Luisa's Donkey Lifting** would be willing to match these fundraising efforts.

It was a huge success and has raised £_____(so far)!

I am writing to you to ask you if _____(company name) would be willing to match these fundraising efforts.

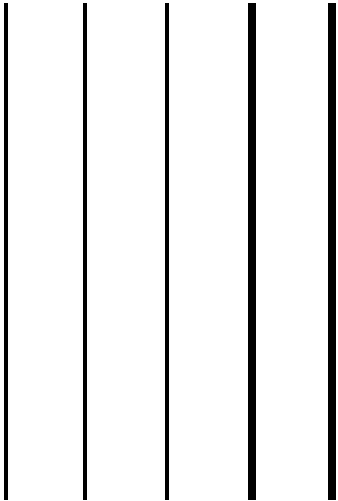

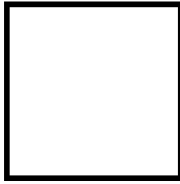

This is a very exciting year for the Schools Triathlon, anything we fundraise until the 6 June for Restless Development will be matched pound for pound by the UK government, supporting more girls in Sierra Leone to go to school, get their education and build their careers.

I love school and this is a cause I feel very passionate about. It's estimated that 20 million girls will not go back into education. These girls are usually held back and can't attend classes and learn about all the wonderful subjects I love doing in school like literacy and numeracy.

By matching my £_____ raised, together we can quadruple it, as the whole amount will be matched by the government. Think about the huge impact we can make together to support young people just like me, all around the world, back into education, so they can decide what they want to do when they leave school and shape their own future.

Thank you for taking the time to read my request and I hope you will consider helping us to support Restless Development.

With best wishes,

I'M FUNDRAISING FOR THE FLIGHT CENTRE SCHOOLS TRIATHLON
